**Liberty Hall, The Factory at Franklin**

In order to support operating costs, Bridges Domestic Violence Center holds an annual fundraiser, the Jokers & Jackpots Gala. The event is critical to our success, as it accounts for approximately 10% of our operating budget. The fundraiser includes casino games, cocktails, food from local restaurants and caterers, a live and silent auction, and entertainment. There are various ways that local businesses can support this great cause and receive exposure in the community simultaneously.
